

On 22th – 25th January 2009 the 15th Travel Fair ITF SLOVAKIATOUR was held at the Fair ground Incheba Expo Bratislava. This Fair is the largest and the most significant one of such a kind in Slovakia. During 4 days there are the latest worldwide trends in tourism presented here. Indonesia was represented on this Fair through the Embassy of the Republic of Indonesia in Bratislava. A presentation place was highlighted by an especial hand-made timber work of Bali's artist and by a projection about Indonesian's gems. The representatives of the Embassy aimed to bring Indonesia near and open it as much as possible for the interested persons and visitors. The SIOK's representatives also visited Indonesian presentation place on ITF SLOVAKIATOUR.
